

Ending violence against women and children is up to all of us.

In support of the White Ribbon Campaign, **THE FOSCHINI GROUP WILL BE DONATING R350000 TO SAFE SPACE**, a project that aims to create and promote safe spaces in our homes, workplaces, communities and minds.

This initiative provides us with the opportunity to invest in making South Africa a safe space for our women, our children and our future. Safe Space will challenge attitudes, perceptions and behaviours around sexual violence in order to create a safe environment for all South Africans.

SAFE SPACE will be supported and implemented by a range of partners and led by Rape Crisis.
