BROAD-BASED BLACK ECONOMIC EMPOWERMENT

VERIFICATION AGENCIES / REGISTERED AUDITORS

Qualifying Small Enterprises and Generic Enterprises

The DTI has advised that, as of 1st October 2011, only BEE verification certificates issued by Verification Agencies accredited by the South African National Accreditation System (SANAS) or Registered Auditors approved by the Independent Regulatory Board of Auditors (IRBA) will be valid.

These BEE verification certificates will be valid for a period of twelve months.

It should be noted that both new Verification Agencies seeking accreditation from SANAS and / or Registered Auditors seeking approval by IRBA are required to complete the National Standardised BBBEE Management Development Programme (MDP) developed by UNISA Graduate School of Business Leaders (SBL) and the University of the Witwatersrand – Wits Enterprises before accreditation or approval can take place.

The universities plan to offer the 5 modules of the MDP over either 5 full days (the fast track) or over a longer period of 6 – 12 months.

Exempted Micro Enterprises

Statement 000, Section 4 of the BBBEE codes of good practice still applies for determining the eligibility of an Exempted Micro Enterprise.

It is also noted that the Government Notice published in Gazette Number 32467 / 810 of 2009 has been repealed.

The Minister of Trade and Industry has issued Government Gazette Notice 34612 / 754 of 2011 to this effect.

Detailed below please find the following document for your reference and consideration:

- List of accredited verification agencies as at 1st February 2012

For further information regarding Registered Auditors, we refer you to the website:
